

Welcome to LifePoint!

We're glad you've come to worship with us!

Today's message: How To Know

Welcome! We've been praying for you, and we don't think it's an accident you're here. We hope you make yourself at home, whether it's your first visit or your one hundred and first!

- If you're new to LifePoint, please complete a **Connection Card** in the card holder at your seat and drop it off at the **Welcome Center** in the lobby for a free gift.
- **Children are welcome at all services.** However, we have a fully-staffed nursery and an outstanding kids ministry designed just for the little ones. Our **Welcome Center** volunteers can help you find the perfect place for the kids.
- **Free Bibles are available** at the Welcome Center, as well as L.I.F.E. Toolboxes, a resource to help you grow with God.

We are also in need of a female leader to go with our Students to Teen Camp. If you are interesting in going, please let Dani or Pastor Chuck know.

LifePoint's mission is to lead people into a growing relationship with Jesus Christ.

Prayer Needs

Pray for Israel, our world, our country, and our community. Our world is uncertain, but God is not uncertain and He still holds the whole world in His hands!

Please pray for three of our church families working through devastating news .

Joe Lampe continues on his road to recovery following his 3rd brain surgery. He's making progress, so let's keep praying!

Kathy's Sister, Sam, suffered a heart attack and is waiting for a bed to open up so she can receive treatment.

Deb's friend, Denise is the primary caregiver for her family and has just been diagnosed with blood cancer. Please pray for Denise.

Dan's sisters, Marie and Gladys need prayer. Marie has cancer in her liver that is not shrinking with treatment. Gladys has major back problems and family issues.

Angie Hol is struggling from seizures and meds aren't helping much.

Tricia Bolton's cancer has returned. Doctors are treating her, but she definitely needs God's healing.

Chuck's mom spent the week in the hospital as doctors tried to decipher some heart/lung issues. Thank you for your prayers!

Shirley Pennock passed away last week. Please keep Derschel and the family in your prayers.

And while we're at it, let us pray for one another!
